GACON Limited

Dear Supplier:

We greet you and wish you success in your daily work.

As you know, Industrial de Alimentos EYL, through its Food Safety Management System, conducts periodic evaluations of its suppliers to verify compliance with delivery requirements and other aspects such as:

the submission of complete documentation in the file and for each delivery, compliance with technical specifications, the functionality of your product in our processes, the level of service received, and adherence to our policies and guidelines.

Therefore, we inform you that the result obtained during the **second half of 2024** was **100%**, classifying you as a **Category A** supplier among our Approved Suppliers.

We congratulate you and, at the same time, encourage you to continue improving, as the results of your evaluation are very important to us and to the satisfaction of our customers.

We appreciate all your support, effort, and commitment during this time.

Sincerely,

Naomi A. Reyes
